## SPRINGLAKE FIRE PROTECTION DISTRICT

# Board Communication

AGENDA ITEM  
VI.B

**DATE:** June 26, 2018

**SUBJECT:** Special Assessment Charges for 2018-19 Tax Roll

**PREPARED BY:** Jeran Ulrich, Board Clerk

**RECOMMENDED ACTION:**

That the Springlake Fire Protection District Governing Board certify the 2018-2019 special assessment to be placed on the Yolo County Secured Property Tax bill, adopt Resolution 2018-19 requesting the collection of charges on the 2018-19 tax roll, and authorize that the charges be directly placed on the tax roll.

**BACKGROUND INFORMATION:**

On or before August 10, 2018, the Board Clerk will submit to the Auditor-Controller's Office the Special Assessment Charges for the 2018-19 Tax Roll, along with the Certification of Assessment, Resolution No. 2018-19, the 2018-19 Direct Charge Transmittal form, and the worksheet showing total assessments due by tax rate area.

The Board adopted procedures at the November 12, 2013 meeting for the determination of special assessment charges. The Board Clerk has followed these procedures to determine the special assessments for the parcels. The Board Clerk has also requested additional information from the Assessor's Office and/or mailed letters to property owners whose parcels have the "Identifier" land use code.

Once all parcel information is received, the Board Clerk will then complete all required documents and submit to the Assessor's Office. In the event that changes in total number of parcels and/or total special assessment charges exceeds +/-10%, the changes will be due to the reclassifications as stated above and the addition of new parcels. In the event that there are unexpected issues that the Board must resolve, the Board Clerk will notify Chair Arvin and the issues will be discussed at a meeting before August 10<sup>th</sup>.

Respectfully yours,

Rebecca Ramirez  
Fire Chief

**CERTIFICATION OF ASSESSMENT**

The Springlake Fire Protection District, hereby certifies that the special assessment(s)/fee(s)  
(Agency)  
to be placed on the 2018-19 Yolo County Secured Property Tax bill by the  
Springlake Fire Protection District for \$50,633.94 is in compliance with  
(Agency) (Levy Assessment/Fee)  
all requirements of state law, including but not limited to the requirements of  
Proposition 218 that added Articles XIIC and XIID to the State Constitution.

The Springlake Fire Protection District agrees to defend, indemnify and hold harmless the  
(Agency)  
County of Yolo, the Board of Supervisors, the Auditor-Controller, its officers and  
employees, from litigation over whether the requirements of Proposition 218 and  
other State laws were met with respect to such assessment(s).

If any judgment is entered against any indemnified party as a result of not  
meeting the requirements of any State law including Proposition 218 for such  
assessment(s), the Springlake Fire Protection District agrees that the County may  
(Agency)  
offset the amount of any judgement paid by an indemnified party from any  
monies collected by County on Springlake Fire Protection District behalf, including property  
(Agency)  
taxes, special taxes, fees, or assessments.

RESOLUTION NO. 2018-19

REQUESTING COLLECTION OF CHARGES ON TAX ROLL

Whereas, the Springlake Fire Protection District (name of public entity) (hereinafter "District/City") requests the County of Yolo collect on the County tax rolls certain charges which have been imposed pursuant to section 50078 & Article XIID, Section 4 of Government Code by the District/City, attached hereto, and

Whereas, the County has required as a condition of the collection of said charges that the District/City warrant the legality of said charges and defend and indemnify the County from any challenge to the legality thereof,

Now, Therefore, Be It Hereby Resolved by the Board/Council of District/City that:

1. The Auditor-Controller of Yolo County is requested to attach for collection on the County tax rolls those taxes, assessments, fees and/or charges, attached hereto.
2. The District/City warrants and represents that the taxes, assessments, fees and/or charges imposed by the District/City and being requested to be collected by Yolo County comply with all requirements of state law, including but not limited to Articles XIIC and XIID of the California Constitution (Proposition 218).
3. The District/City releases and discharges County, and its officers, agents and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County of any taxes, assessments, fees and/or charges on behalf of District/City.
4. The District/City agrees to and shall defend, indemnify and hold harmless the County, its officers, agents and employees (the "Indemnified Parties") from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County of any of District's/City's said taxes, assessments, fees and/or charges requested to be collected by County for District/City, or in any manner arising out of District's/City's establishment and imposition of said taxes, assessments, fees and/or charges. District/City agrees that, in the event a judgment is entered in a court of law against any of the Indemnified Parties as a result of the collection of one of District's/City's taxes, assessments, fees and/or charges, the County may offset the amount of the judgment from any other monies collected by County on behalf of District/City, including property taxes.

5. The District/City agrees that its officers, agents and employees will cooperate with the County in answering questions referred to District/City by County from any person concerning the District's/City's taxes, assessments, fees and/or charges, and that District/City will not refer such persons to County officers and employees for response.
6. The District/City agrees to pay such reasonable and ordinary charges as the County may prescribe to recoup its costs in placing on the tax rolls and collecting the taxes, assessments, fees and/or charges , as provided by Government Code sections 29304 and 51800.

## Board Communication

AGENDA ITEM  
VI.C

**DATE:** June 26, 2018

**SUBJECT:** Updated Auditor's Draft Report – FYE 2016 and 2017 Audit and Management Letter

**PREPARED BY:** Jeran Ulrich, Board Clerk

### RECOMMENDED ACTION:

That the Springlake Fire Protection District Governing Board review and approve the attached updated draft report from the auditors for fiscal years ending 2016 and 2017.

### BACKGROUND INFORMATION:

The enclosed draft report was prepared by Fechter and Company for the audits for fiscal years ending 2016 and 2017, in accordance with the Springlake Fire Protect District's agreement, which states that an examination of the accounting records should be performed every four years and the Government Auditing Standards prescribed by the U.S. Comptroller General. The above-mentioned financial statements are a result of said audit, and are required to maintain accountability and provide information for making improvements in governing operations, as prescribed by law. This includes the clarification of reporting for internal control deficiencies, fraud, illegal acts, and violations of provisions of contracts or grant agreements and abuse.

The attached Management Letter specifies representations with regards to financial statements and all other information requested by the auditors in connection with the audit. The letter serves as confirmation that the District is responsible for the fair presentation of the previously mentioned financial statements in conformity with the United States generally accepted accounting principles and that the District is also responsible for adopting sound accounting policies, establishing and maintaining effective internal control over financial reporting, and preventing and detecting fraud.

At the direction of the Board, a statement clarifying that the District contracts with the City of Woodland and City of Davis to carry out its specific purposes was added to the Management letter. Additionally, the Board Clerk submitted the Management's Discussion and Analysis to the Auditor, which has been noted in the Audit Report.

Respectfully yours,

  
Rebecca Ramirez  
Fire Chief

**INDEPENDENT AUDITOR'S REPORT**

Board of Commissioners  
Springlake Fire Protection District  
Woodland, California

We have audited the accompanying financial statements of the governmental activities and the major fund for the Springlake Fire Protection District as of and for the years ended June 30, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Board of Commissioners  
Springlake Fire Protection District  
Woodland, California

**Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the major fund of Springlake Fire Protection District as of and for the years ended June 30, 2017 and 2016, and the respective changes in financial position for the years ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on pages 14-15 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**SPRINGLAKE FIRE PROTECTION DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
FISCAL YEARS ENDING JUNE 30, 2017 AND JUNE 30, 2016**

The following discussion and analysis of the Springlake Fire Protection District (the District) and its financial performance provides an overview of the District's financial activities, prepared by its administrative staff for the fiscal year ending June 30, 2016 and June 30, 2017. This discussion and analysis should be read in conjunction with the Fire District's financial statements and accompanying notes, which follow this introduction.

**FINANCIAL REPORTING:**

The District operates under the laws of the State of California. It has designated that the Yolo County Office of Finance Services perform all financial functions on behalf of the district.

The County maintains the District's accounts in accordance with Accounting Policies generally accepted in the United States of America. The District financial policies are those of Yolo County's and are monitored by the County's Auditor-Controller and audited through an annual independent audit. Investment policies and related credit, custodial credit, concentration of credit, interest rate, and foreign currency risks applicable to the District are those of the County and are disclosed in the County's basic financial statements. Information on the County of Yolo's financial policies may be obtained through Yolo's Auditor-Controller's office at 625 Court Street, Room 103, Woodland, California 95695.

The Board of Directors adopts a General Fund budget, which can be amended by the Board during the fiscal year. All appropriations lapse at year-end. Spending and revenues are constantly monitored by comparisons of actual revenues and expenditures with planned revenues and expenditures for the period.

**FINANCIAL HIGHLIGHTS:**

- The property tax allocation received this fiscal year ending 2016 accounted for \$406,832 of the District's operating revenue. In fiscal year ending 2017, the property tax allocation accounted for \$423,171 of the District's operations revenue.
- The District's Special Assessment revenue received for Fiscal Year Ending 2016 was \$50,333. For Fiscal Year ending 2017 the District received \$51,135 in Special Assessment revenue. Annual variations in Special Assessment revenue are typically a result of change in property use or division of parcels.
- In 2015, the District entered into agreement with UC Davis. UC Davis assumes sole responsibility for fire protection services for UC Davis properties located within the District's boundaries that is not covered by the City of Davis. The County, on the District's behalf, calculates and distributes to UC Davis the District's proportional share of property tax revenue that is attributable to the UC Davis properties.

**SPRINGLAKE FIRE PROTECTION DISTRICT  
MANAGEMENT’S DISCUSSION AND ANALYSIS  
FISCAL YEARS ENDING JUNE 30, 2017 AND JUNE 30, 2016**

**STATEMENT OF NET POSITION:**

To begin our analysis, a summary of the District’s Statement of Net Position is presented in Table 1 below for the current year and two preceding years.

Typically, Net Position may serve over time as a useful indicator of a government’s financial position. However, in the case of the District, it does not typically maintain a net position balance, as the net property tax income received is pledged to the City of Woodland, City of Davis, and UC Davis to provide fire protection services to each respective service area. As shown in Table 1, assets exceeded liabilities by \$33,838 as of June 30, 2017 and assets did not exceed liabilities as of June 30, 2016. The 2017 Net Position balance is expected to resolve itself through future distributions to the City of Davis, the City of Woodland, and UC Davis. The Net Position of the District is the product of limited financial transactions including net result of activities.

**TABLE 1  
CONDENSED STATEMENT OF NET POSITION**

	<u>FY 16/17</u>	<u>FY 15/16</u>	<u>FY 14/15</u>	<u>\$ Change (FYE '16 - '17)</u>
Total Current Assets	<u>\$ 232,057</u>	<u>\$ 22,566</u>	<u>\$ 182,770</u>	<u>\$ 209,491</u>
Total Current Liabilities	<u>\$ 198,219</u>	<u>\$ 22,566</u>	<u>\$ 182,770</u>	<u>\$ 175,653</u>
Net Assets:

Total Net Position	<u><u>\$ 33,838</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 33,838</u></u>

The majority of the District’s net assets is cash held in Treasury by Yolo County. The total liabilities are outstanding and pending payments to the City of Davis and the City of Woodland. The primary reason for the change in balances from June 30, 2016 to June 30, 2017 is due to the timing of receipt and release of property tax apportionments, issued by the County in late December, April, and June.

**SPRINGLAKE FIRE PROTECTION DISTRICT  
MANAGEMENT’S DISCUSSION AND ANALYSIS  
FISCAL YEARS ENDING JUNE 30, 2017 AND JUNE 30, 2016**

**STATEMENT OF ACTIVITIES:**

To continue our analysis, a summary of the District’s Statement of Activities is presented in Table 2 below for the current year and two preceding years.

**TABLE 2  
CONDENSED STATEMENT OF ACTIVITIES**

	FY 16/17	FY 15/16	FY 14/15	\$ Change (FYE '16 - '17)
Total Revenues	\$ 475,368	\$ 458,627	\$ 415,262	\$ 16,741
Total Expenditures	\$ 441,530	\$ 458,627	\$ 415,262	\$ (17,097)
Excess Revenues over Expenditures	33,838	-	-	33,838
Beginning Net Position	-	-	-	-
Ending Net Position	\$ 33,838	\$ -	\$ -	\$ 33,838

Nearly all of the District’s revenues are derived of property taxes and special assessments (greater than 99%). Similarly, nearly all of the District’s expenditures are contributions to non-County agencies. Subsequent pro-rata contributions to non-County agencies will be revised to distribute all residual revenues, ultimately resolving (reducing) the net position balance remaining at June 30, 2017.

**DEBT ADMINISTRATION, FIXED ASSETS, AND GOVERNMENTAL ACCOUNTING STANDARDS  
BOARD STATEMENT 68:**

The District does not have any long-term or short-term debt, nor capital assets. Since the District contracts with the City of Davis and the City of Woodland for fire protection services, it does not have any employees. Thus, the District does not have any pension obligations.

**SPRINGLAKE FIRE PROTECTION DISTRICT  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
FISCAL YEARS ENDING JUNE 30, 2017 AND JUNE 30, 2016**

**ECONOMIC FACTORS BEARING ON THE DISTRICT'S FINANCIAL FUTURE:**

The District considers economic developments when preparing the annual budget, including statewide and national political developments that may affect the District. Overall, the Board approves and issues a fiscal-year budget based on prior and future economic events for the single General Fund.

- The District derives the majority of its revenue from the ad valorem property tax; therefore, management pays particular attention to the developments of the state economic factors that affect the property tax revenue source.
- Overall, property taxes and special assessments have incrementally increased year-over year for the past 4 years; a similar trend is expected for the near future as the service areas continue to see further property development.
- The District contracts with the City of Woodland, the City of Davis, and UC Davis to provide fire protection and emergency response services to Service Areas A and B. Because the District is essentially a pass-through entity, fluctuating property tax distributions received have a greater effect on the contracted agencies.
- These and other factors are taken into consideration when preparing the District's annual budget.

**REQUESTS FOR INFORMATION:**

This financial report is designed to provide our citizens, taxpayers, and customers with a general overview of the District's finances and to demonstrate the District's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Board Clerk of Springlake Fire Protection District at:

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Financial Reporting Entity

The Springlake Fire Protection District (the District) provides fire protection and emergency response to approximately 65 square miles, which includes agricultural, residential, commercial, and industrial properties. It was first created on July 21, 1942, under the provisions of the Health and Safety Code, Chapter 2, Part 3, and was recognized in 1965, under Section 12812.5 of the Health and Safety Code.

The District covers two service areas, A and B. Service Area A includes Roads 18A, B, and C to the north of Woodland, and extends south to Road 29. Service Area B continues south from Road 29 to the northern and western boundaries of the City of Davis.

Under the agreement dated June 30, 2004, the District contracted with the City of Woodland to provide fire protection services to Area A. Under the same agreement, the District contracted with the City of Davis to provide fire protection services to Area B. Under a subsequent agreement dated June 30, 2015, the District contracted with UC Davis to provide fire protection services to UC Davis properties.

For the services provided by the City of Woodland, pursuant to the above agreement, the District pays the City of Woodland a portion of the real property taxes that the District annually receives, based on the percentage of the assessed value of Area A divided by the total assessed value of the District. For the services provided by the City of Davis, pursuant to the above agreement, the District pays the City of Davis a portion of the real property taxes that the District annually receives, based on the percentage of the assessed value of Area B divided by the total assessed value of the District. The District also pays the City of Woodland and the City of Davis fire suppression assessments on real property located in Area A and Area B respectively, and development impact fees for real property located in the designated areas. Property tax revenue attributable to UC Davis properties is assigned to UC Davis.

The Yolo County Board of Supervisors governs the District through a five-member Board of Commissioners. The Yolo County Board of Supervisors makes appointments to the Board of Commissioners and appointees are governed by Section 13831 of the Health and Safety Code. The terms of appointment may be either indefinite (“at the pleasure of the Board of Supervisors”) or fixed (four years with initial staggered terms).

The District’s specific purposes, provided by statute, include the following:

- To establish, equip, and maintain a fire department and to enforce rules for its operation (through Non-County Agency Contracts); and
- To provide (contract for) special services for fire protection, including investigation of fires, and prosecution of arson crimes.

**SPRINGLAKE FIRE PROTECTION DISTRICT**  
**NOTES TO THE BASIC FINANCIAL STATEMENTS**  
**JUNE 30, 2017 AND 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** - (continued)

Basis of Presentation – Government-Wide Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government and its component units. The effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and user charges for support. The District has no business-type activities.

The statement of activities presents a comparison between direct expenses and program revenues for the District's governmental activities. Direct expenses are those that are specifically associated with the District. Program revenues include special assessment charges that are restricted to meeting the operational or capital requirements of the District. Revenues that are not classified as program revenues, including all taxes and investment income, are presented instead as general revenues.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing related cash flows. Property taxes are recognized as revenues in the year for which they are levied.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

Basis of Presentation – Fund Financial Statements

The accounts of the District are organized on the basis of funds. A fund is a separate accounting entity with a self-balancing set of accounts. Each fund was established for the purpose of accounting for specific activities in accordance with applicable regulations, restrictions, or limitations. Separate financial statements are provided for each governmental fund. Major individual governmental funds are reported as separate columns in the fund financial statements.

The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

**JUNE 30, 2017 AND 2016**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** - (continued)

Basis of Presentation – Fund Financial Statements – (continued)

The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). “Measurable” means that the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Revenues susceptible to accrual include property taxes. The District considers property taxes as available when deposited into the District’s trust account held by Yolo County. A 60 day availability period is used for revenue recognition for all other governmental fund revenues. Expenditures under the modified accrual basis of accounting are generally recognized when the related fund liability is incurred.

The District reports the following major governmental fund:

General Fund – The General Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Budgets and Budgetary Process

The District operates under the laws of the State of California. The Board of Directors adopts a General Fund budget, which can be amended by the Board during the fiscal year. All appropriations lapse at year end.

The budgeted financial statements represented in these reports reflect the final budget authorizations including all amendments.

Board of Commissioners

There are five members of the board. Each member of the board is a resident and registered voter of the District.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from these estimates.

Revenue

Revenue to finance the District’s operation is derived from the County property tax bills. Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are payable in two installments, on April 10 and December 10. Unsecured property taxes are payable in one installment, on or before August 31.

In November of 1993, California voters enacted Proposition 172, which established a permanent statewide half-cent sales tax for support of local public safety functions in cities

and counties. Under the terms of Proposition 172, cities and counties must use the funds received to support public safety.

Property Tax and Special Assessments

Secured property taxes are considered measurable and available when apportioned to the District. The County is responsible for assessing and collecting secured property taxes for the District, in accordance with enabling state legislation (including appropriation limits). The County apportions secured taxes to the District under the “Teeter Plan” – California Revenue and Taxation Code Sections 4701-4717. A complex allocation formula is used to distribute levied secured taxes to the County and its districts. The levy date is July 1.

The District is credited with 100 percent of its apportionments, regardless of the actual collections and delinquencies and, accordingly, penalties and interest collected by the County are not allocated to the District. Apportionments are distributed according to the following schedule:

<u>Action</u>	<u>Date</u>	<u>Percent</u>
1 <sup>st</sup> Apportionment	By December 25	50 Percent
2 <sup>nd</sup> Apportionment	By April 25	45 Percent
3 <sup>rd</sup> Apportionment	By June 25	5 Percent

Supplemental unsecured property taxes and special assessments are considered measurable and available when collected. The District assesses supplemental unsecured property taxes and special assessments on real property. These assessments are not based on property values but on usage and are levied by parcel, square footage, dwelling unit, and/or space, in accordance with Proposition 218. The assessments are remitted to the County for collection with the secured property tax billings. The County deposits collections in the District’s County Treasury account.

Net Position

The government-wide financial statements utilize a net position presentation. Net position is categorized as unrestricted.

Unrestricted Net Position – This category represents net position of the District not restricted for any project or other purpose.

Due to other governments represents payments due to the City of Davis, the City of Woodland, and UC Davis for fire protection services.

Fund Balances

In February 2009, the GASB issued Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, which establishes accounting and financial reporting standards for all governments that report governmental funds.

Under GASB 54, fund balance for governmental funds should be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are now broken out in five categories:

- Nonspendable Fund Balance – this fund balance classification includes amounts that cannot be spent because they are either not in spendable form (i.e., prepaid expenses) or legally or contractually required to be maintained intact.
- Restricted Fund Balance – this fund balance classification should be reported when there are constraints placed on the use of resources externally (by creditors, grant sources, contributors, etc.) or imposed by law or enabling legislation.
- Committed Fund Balance – this fund balance classification can only be used for specific purposes pursuant to constraints imposed by formal action of the government’s highest level of decision making authority (i.e., fund balance designations passed by board resolution).
- Assigned Fund Balance – this fund balance classification refers to amounts that are constrained by the government’s intent to be used for specific purposes, but are neither restricted nor committed.
- Unassigned Fund Balance – this fund balance classification is the residual classification for the general fund.

Deferred Outflows and Inflows of Resources

The District adopted the provisions of GASB Statement No. 63 (GASB 63), *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*. GASB 63 provides financial reporting guidance for deferred outflows of resources, deferred inflows of resources, and net position in a statement of financial position and related disclosures. It also identifies net position as the residual of all other elements presented in a statement of financial position, or the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources. As implied above, GASB 63 changes the previous classification of net assets to net position, and, consequently, the statement of net assets to the statement of net position. The District had no deferred inflows or outflows of resources as of June 30, 2017.

**NOTE 2: CASH AND INVESTMENTS**

All cash held by the District is on deposit with the Yolo County Treasury Pool. The County of Yolo Treasurer pools its funds with other governmental agencies in the County and invests them as prescribed by the California Government Code and the County of Yolo’s Investment Policy. The District’s deposits in the County pool may be assessed at any time. The District is allocated interest income on monies deposited with the County based on its proportional share of the pooled investments. All investments are carried at fair value.

The District’s total cash and investments at June 30, 2017 and 2016, consisted of the following:

	June 30, 2017	June 30, 2016
Deposits:		
Cash in County Treasury	\$ 229,332	\$ 19,501

Investments

GASB Statement No. 31 – *Accounting and Financial Reporting for Certain Investments and External Pools*, requires governmental entities to report certain investments at fair value in the balance sheet and recognize the corresponding change in the fair value of investments in the year in which the change occurred

In accordance with Statement No. 31, the District has adjusted certain investments to fair value (when material).

The District relied upon information provided by the Yolo County Treasurer in estimating the District’s fair value at June 30, 2017 and June 30, 2016.

The Yolo County Treasurer’s Investment Pool is a governmental investment pool managed and directed by the elected Yolo County Treasurer. The County Pool is not registered with the Securities and Exchange Commission. An oversight committee comprised of local government officials and various participants provide oversight to the management of the fund. The daily operations and responsibilities of the pool fall under the auspices of the County Treasurer’s office. The District is a voluntary participant in the investment pool.

The District is authorized under California Government Code to make direct Investments. However, the District has not adopted an investment policy and thus does not maintain policies for exposure to interest rate risk, credit risk, and concentration of credit risk. Investment policies and related credit, custodial credit, concentration of credit, interest rate, and foreign currency risks applicable to the District are those of the County and are disclosed in the County’s basic financial statements. The County of Yolo’s financial statements may be obtained by contacting the Yolo’s Auditor-Controller’s office at 625 Court Street, Room 103, Woodland, California 95776.

**JUNE 30, 2017 AND 2016**

**NOTE 3: COMMITMENTS**

On June 30, 2004, the District and the City of Woodland and City of Davis entered into an interagency agreement for the provision of fire protection services. Under the terms of the agreement, the City of Woodland shall provide all administrative services required under applicable laws and necessary for the effective operation of the District.

For Area A and Area B, through its Fire Department, the City of Woodland and City of Davis shall provide all fire protection services, fire suppression services, and emergency medical services, as required by applicable law.

In exchange for these services, the District shall pay the City of Woodland and the City of Davis a portion of real property taxes the District receives annually. The District shall also pay the City of Woodland and the City of Davis the fire suppression assessments on real property and development impact fees received for real property located in Areas A and B.

In addition, the District transferred title to three fire engines, maintained and utilized by the City of Woodland and the City of Davis. Payment of the property taxes, fire suppression assessment, and development impact fees to be paid by the District to the City of Woodland and the City of Davis under the interagency agreement shall be made concurrent with the distribution of property taxes.

Under the 2015 Agreement with UC Davis, UC Davis assumes sole responsibility for fire protection services for UC Davis properties located within the District's boundaries that is not covered by the City of Davis. The County agrees to, on the District's behalf, calculate and distribute to UC Davis the District's proportional share of property tax revenue that is attributable to the UC Davis properties.

**NOTE 4: RISK MANAGEMENT**

The District is exposed to various risks of loss related to theft, damage, and/or destruction of assets, errors and omissions, and general liability.

The District participates in the Yolo County Public Agency Risk Management Insurance Authority (YCPARMIA), a joint powers agency (risk sharing pool). Fourteen local agencies participate in the pool. Each participating agency makes cash payment for each year of participation in an amount approved by the YCPARMIA's Board of Directors. New members must remain a part of the fund for a minimum of three years and give six months of written notice before withdrawing from the pool. Participation by the agencies is authorized pursuant to California Government Code section 6500. The District is covered for general liability and automobile liability, workers' compensation, property damage, and fidelity through YCPARMIA. Through YCPARMIA membership in the California Joint Powers Insurance Authority (CALJPIA), the district is provided with an excess coverage fund for catastrophic liability losses. Loss contingency reserves established by YCPARMIA are funded by contributions from member agencies.

NOTES TO THE BASIC FINANCIAL STATEMENTS  
JUNE 30, 2017 AND 2016**

**NOTE 5: RELATED PARTY TRANSACTION**

The District Board has designated the City of Woodland Fire Chief to perform administration duties on behalf of the District, such as prepare and administer budgets, develop agenda items, and supervise the District Clerk.

**NOTE 6: SUBSEQUENT EVENTS**

The District has evaluated subsequent events through April 30, 2018, the date the financial statements were available to be issued, and determined that there were no events occurring subsequent to June 30, 2017, that would have a material impact on the results of operations or its financial position.

To the Board of Commissioners  
Springlake Fire Protection District  
Woodland, California

In planning and performing our audit of the financial statements of the Springlake Fire Protection District (the District) for the year ended June 30, 2017 and 2016, we considered the District's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

Our consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce, to a relatively low level, the risk that errors or irregularities in amounts that would be material in relation to the basic financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

We will review the status of these comments during our next audit engagement. We will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. We thank the District's staff for its cooperation on this audit.

**SPRINGLAKE FIRE PROTECTION DISTRICT**  
**Required Communications**  
**For the Years Ended June 30, 2017 and 2016**

**The Auditor's Responsibility under U.S. Generally Accepted Auditing Standards**

As stated in our engagement letter dated December 19, 2017, our responsibility, as described by professional standards, is to plan and perform our audit to obtain reasonable, but not absolute assurance that the financial statements are free of material misstatement and are fairly presented in accordance with U.S. generally accepted accounting principles. Because an audit is designed to provide reasonable, but not absolute assurance and because we did not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us.

In planning and performing our audit, we considered the District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting.

As part of obtaining reasonable assurance about whether the District financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit.

**Significant Accounting Policies**

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the District are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by the District during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

**Internal Control Related Matters**

In any smaller entity, whether private enterprise or a governmental agency, the lack of segregation of duties can present potential issues in regards to the perpetuation and concealment of fraud. The District however has designated that the Yolo County office performs all financial functions on behalf of the District.

There is no catch-all for finding all instances of fraud within any entity, whether public or private. One of the key factors in helping prevent fraud is to encourage ethical behavior at all levels of the organization, i.e., "tone at the top." Another key would be to note instances of abnormal behavior of finance or accounting staff when questioned about District financial matters.

The District should remember that they have outside resources available in the case of fraud – they are able to contact their District auditor, attorney, or county auditor-controller should anyone feel there is a chance of fraud or abuse.

**SPRINGLAKE FIRE PROTECTION DISTRICT**  
**Required Communications**  
**For the Year Ended June 30, 2017 and 2016**

**Accounting Estimates**

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events, and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no estimates affecting the financial statements during the audit needing to be disclosed.

**Audit Adjustments**

For purposes of this letter, professional standards define an audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. An audit adjustment may or may not indicate matters that could have a significant effect on the District's financial reporting process (that is, cause future financial statements to be materially misstated). The following audit adjustments, in our judgment, indicate matters that could have a significant effect on the District's financial reporting process:

- Adjustments to Due to Other Governments (Payables) account

**Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

**Consultations with Other Independent Auditors**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

**SPRINGLAKE FIRE PROTECTION DISTRICT**  
**Required Communications**  
**For the Year Ended June 30, 2017 and 2016**

**Issues Discussed Prior to Retention of Independent Auditors**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the District's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

**Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management in performing our audit.

## Board Communication

AGENDA ITEM  
VI.D

**DATE:** June 26, 2018

**SUBJECT:** Special District Financial Transaction Report- Statement of Intent

**PREPARED BY:** Jeran Ulrich, Board Clerk

### **RECOMMENDED ACTION:**

That the Springlake Fire Protection District Governing Board approve the Statement of Intent to notify the County Department of Financial Service of the Board's intent to have the Department prepare and submit the Special District Financial Transaction Report for fiscal year 2017-18 to the State Controller at an estimated cost of \$273.00.

### **BACKGROUND INFORMATION:**

Government Code Section 53891 requires districts to submit the Special Financial Transaction Report for fiscal year 2018-19 to the State Controller by January 31, 2019.

The County Department of Financial Service may prepare this report and file it electronically on behalf of the district at an estimated cost of \$273. Once the District has received the report, DFS staff will complete a journal entry to charge the District for the preparation of the report. To authorize the County, a Board member needs to sign the attached Statement of Intent.

Respectfully yours,

Rebecca Ramirez  
Fire Chief

Re: Local Agencies Financial Transaction Report for 2017-18

California Government Code Section 53891 requires local agencies to electronically submit a Financial Transaction report to the State Controller's Office by January 31, 2019. The State Controller publishes information from this report for use by the Legislature and other interested parties. The agency should provide underlying data from audited financial statements prepared in accordance with generally accepted accounting principles, if available.

The Yolo County Department of Financial Services' (DFS) staff may prepare this report, and file it electronically, for fiscal year ending June 30, 2018 on behalf of the district at an estimated cost of \$273.00. However, the district has the option of having their own staff prepare this report, contract with an accountant, or engage the county DFS staff to prepare the report. **Please return the attached Statement of Intent by August 31, 2018 to notify us of your decision.**

DFS will be using our hourly rates for Accounting and Auditing services as approved by the Board of Supervisors in the Master Fee process. Our existing rate is \$91.00 per hour per the last master fee schedule dated January 24, 2017.

Should you elect to engage DFS staff to prepare your report, we may need to contact you during the process to resolve any issues or questions that may arise during the process.

If you have any questions or concerns, please contact me at (530) 666- 8219 or [Josh.Iverson@yolocounty.org](mailto:Josh.Iverson@yolocounty.org).

## Board Communication

AGENDA ITEM  
V.I.E

**DATE:** June 26, 2018

**SUBJECT:** Conflict of Interest Code – Biennial Review

**PREPARED BY:** Jeran Ulrich, Board Clerk

**RECOMMENDED ACTION:**

That the Springlake Fire Protection District Governing Board review the District's Conflict of Interest Code to meet the biennial review requirement and authorizes the Board Clerk to sign the required form stating that no amendments are required at this time.

**BACKGROUND INFORMATION:**

The Board Clerk anticipates receiving notice sometime in July that the biennial review by the Board of the District's Conflict of Interest Code is due to County Counsel by early September for timely adoption by the Board of Supervisors. As part of this notice, the Board is required to notify the Board of Supervisors if any amendments are required to the Code. Because the Board meets only quarterly, the Board Clerk has initiated the review ahead of receiving notice and is seeking authorization to respond to the notice as directed by the Board in order to adhere to the anticipated September deadline. We recommend that the Board perform a full review of the code.

Respectfully yours,

Rebecca Ramirez

SPRINGLAKE FIRE PROTECTION DISTRICT

# COMMISSION COMMUNICATION

DATE: October 9, 1998

ITEM: Conflict of Interest Code

PREPARED BY: Sue Vannucci, Clerk of the Board

BACKGROUND: The Commissioners have previously been advised that Yolo County Counsel had provided the information to assist the District in determining the requirements for disclosure under the Conflict of Interest Code. The District is not an exempt Agency under the law and is required to develop and adopt a Conflict of Interest Code. The criteria for exemption is as follows:

1. The Agency does not exercise substantial regulatory, quasi-regulatory, permit, licensing, or planning functions; AND,
2. The Agency's annual combined capital budget and operating budget, exclusive of salaries, is less than \$100,000, or,
3. The District would soon be inoperative and non-functional.

As the Springlake Fire Protection District qualifies under #2 above, the District must adopt such Conflict of Interest Code. This Code is to be updated every even numbered year as well.

The code specifies which designated positions must file statements of economic interest disclosing investments, interests in real property, income, loans, etc.

**RECOMMENDATION:**

It is recommended the Board of Commissioners approve the attached Resolution to adopt the Conflict of Interest Code for the Springlake Fire Protection District, the Conflict of Interest Code, Appendix which designates those positions having interest in the District, and Form 700 as the District's Conflict of Interest Code and supporting documentation.

RESOLUTION 98-1

RESOLUTION TO THE COMMISSION  
OF THE SPRINGLAKE FIRE PROTECTION DISTRICT  
ADOPTING A CONFLICT OF INTEREST CODE  
FOR DESIGNATED POSITIONS AND  
INCORPORATING BY REFERENCE THE FAIR POLITICAL PRACTICES  
COMMISSION'S STANDARD MODEL CONFLICT OF INTEREST CODE  
AS THE CODE OF OPERATION FOR SAID DISTRICT

WHEREAS, the Political Reform Act, Government Code Sections 81000 et seq., requires every state or local government agency to adopt and promulgate a conflict of interest code; and

WHEREAS, the Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regulations Section 18730, which contains the terms of a standard model conflict of interest code, which can be incorporated by reference, and which will be amended by the Fair Political Practices Commission to conform to any amendments in the Political Reform Act after public notice and hearing pursuant to the Administrative Procedures Act, Government Code Sections 11370 et. Seq.; and

WHEREAS, Government Code Section 87306.5 requires each local agency adopt a conflict of interest code, review such code each even numbered year and to update the code as necessary; and

WHEREAS, incorporation by reference of the terms of the aforementioned regulation and amendments to it as the conflict of interest code of the Springlake Fire Protection District, ("District"), will save the District time and money by minimizing the actions required of the District to keep its conflict of interest code in conformity with the Political Reform Act; and

WHEREAS, the Springlake Fire Protection District has determined there is a need to adopt the a Conflict of Interest Code for the District;

NOW, THEREFORE, BE IT RESOLVED as follows:

1. The terms of the Cal. Code of Regulations Section 18730, and any amendments to that section which may be duly adopted by the Fair Political Practices Commission, is hereby adopted by reference as the body of the Conflict of Interest Code for the Springlake Fire Protection District.

2. The list of designated positions and disclosure categories attached hereto as Appendix "A" is hereby adopted as the Appendix of designated positions and disclosure categories referred to in 2 Cal. Code of Regulations, Section 18730.

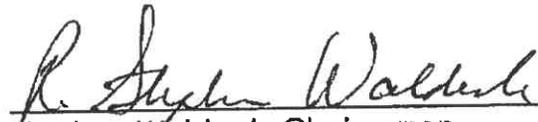

3. Members of the Commission shall file statements of economic interest with the Clerk of the Board, who will make and retain copies and forward originals to the Fair Political Practices Commission, which shall be the filing officer with respect to these statements. All other persons holding designated positions shall file statements with the Clerk of the Board, who shall be the filing officer with respect to those statements.

PASSED AND ADOPTED by the Board of Commissioners of the Springlake Fire Protection District this 20th day of October, 1998, by the following vote:

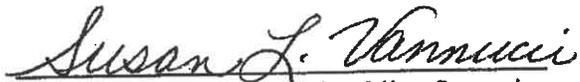

AYES: Commission Members Waldeck, Joyce and Hilliard

NOES: Commission Members None

ABSENT: Commission Members Holman

18730. Provisions of Conflict of Interest Codes.

(a) Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a conflict of interest code within the meaning of Government Code Section 87300 or the amendment of a conflict of interest code within the meaning of Government Code Section 87306 if the terms of this regulation are substituted for terms of a conflict of interest code already in effect. A code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of Article 2 of Chapter 7 of the Political Reform Act, Government Code Sections 81000, et seq. The requirements of a conflict of interest code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code Section 87100, and to other state or local laws pertaining to conflicts of interest.

(b) The terms of a conflict of interest code amended or adopted and promulgated pursuant to this regulation are as follows:

(1) Section 1. Definitions. The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (2 Cal. Code of Regs. Sections 18100, et seq.), and any amendments to the Act or regulations, are incorporated by reference into this conflict of interest code.

(2) Section 2. Designated Employees. The persons holding positions listed in the Appendix are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on financial interests.

(3) Section 3. Disclosure Categories. This code does not establish any disclosure obligation for those designated employees who are also specified in Government Code Section 87200 if they are designated in this code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their financial interests pursuant to Article 2 of Chapter 7 of the Political Reform Act, Government Code Sections 87200, et seq.

In addition, this code does not establish any disclosure obligation for any designated employees who are designated in a conflict of interest code for another agency, if all of the following apply:

A) The geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction of the other agency;

B) The disclosure assigned in the code of the other agency is the same as that required under Article 2 of Chapter 7 of the Political Reform Act, Government Code Section 87200; and

C) The filing officer is the same for both agencies.<sup>1</sup>

Such persons are covered by this code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of financial interests are reportable. Such a designated employee shall disclose in his or her statement of economic interests those financial interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned in the Appendix. It has been determined that the financial interests set forth in a designated employee's disclosure categories are the kinds of financial interests which he or she foreseeably can affect materially through the conduct of his or her office.

(4) Section 4. Statements of Economic Interests: Place of Filing. The code reviewing body shall instruct all designated employees within its code to file statements of economic interests with the agency or with the code reviewing body, as provided by the code reviewing body in the agency's

---

<sup>1</sup> Designated employees who are required to file statements of economic interests under any other agency's conflict of interest code, or under Article 2 for a different jurisdiction, may expand their statement of economic interests to cover reportable interests in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and distinct statements, provided that each copy of such expanded statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Government Code Section 81004.

conflict of interest code.<sup>2</sup>

(5) Section 5. Statements of Economic Interests: Time of Filing.

(A) Initial Statements. All designated employees employed by the agency on the effective date of this code, as originally adopted, promulgated and approved by the code reviewing body, shall file statements within 30 days after the effective date of this code. Thereafter, each person already in a position when it is designated by an amendment to this code shall file an initial statement within 30 days after the effective date of the amendment.

(B) Assuming Office Statements. All persons assuming designated positions after the effective date of this code shall file statements within 30 days after assuming the designated positions, or if subject to State Senate confirmation, 30 days after being nominated or appointed.

(C) Annual Statements. All designated employees shall file statements no later than April 1.

(D) Leaving Office Statements. All persons who leave designated positions shall file statements within 30 days after leaving office.

(5.5) Section 5.5. Statements for Persons Who Resign Prior to Assuming Office. Any person who resigns within 12 months of initial appointment, or within 30 days of the date of notice

---

<sup>2</sup> See Government Code Section 81010 and 2 Cal. Code of Regs. Section 18115 for the duties of filing officers and persons in agencies who make and retain copies of statements and forward the originals to the filing officer.

provided by the filing officer to file an assuming office statement, is not deemed to have assumed office or left office, provided he or she did not make or participate in the making of, or use his or her position to influence any decision and did not receive or become entitled to receive any form of payment as a result of his or her appointment. Such persons shall not file either an assuming or leaving office statement.

(A) Any person who resigns a position within 30 days of the date of a notice from the filing officer shall do both of the following:

(1) File a written resignation with the appointing power; and

(2) File a written statement with the filing officer declaring under penalty of perjury that during the period between appointment and resignation he or she did not make, participate in the making, or use the position to influence any decision of the agency or receive, or become entitled to receive, any form of payment by virtue of being appointed to the position.

(6) Section 6. Contents of and Period Covered by Statements of Economic Interests.

(A) Contents of Initial Statements. Initial statements shall disclose any reportable investments, interests in real property and business positions held on the effective date of the code and income received during the 12 months prior to the effective date of the code.

(B) Contents of Assuming Office Statements. Assuming office statements shall disclose any reportable investments,

interests in real property and business positions held on the date of assuming office or, if subject to State Senate confirmation or appointment, on the date of nomination, and income received during the 12 months prior to the date of assuming office or the date of being appointed or nominated, respectively.

(C) Contents of Annual Statements. Annual statements shall disclose any reportable investments, interests in real property, income and business positions held or received during the previous calendar year provided, however, that the period covered by an employee's first annual statement shall begin on the effective date of the code or the date of assuming office whichever is later.

(D) Contents of Leaving Office Statements. Leaving office statements shall disclose reportable investments, interests in real property, income and business positions held or received during the period between the closing date of the last statement filed and the date of leaving office.

(7) Section 7. Manner of Reporting. Statements of economic interests shall be made on forms prescribed by the Fair Political Practices Commission and supplied by the agency, and shall contain the following information:

(A) Investments and Real Property Disclosure. When an investment or an interest in real property<sup>3</sup> is required to be

---

<sup>3</sup> For the purpose of disclosure only (not disqualification), an interest in real property does not include the principal residence of the filer.

reported,<sup>4</sup> the statement shall contain the following:

1. A statement of the nature of the investment or interest;
2. The name of the business entity in which each investment is held, and a general description of the business activity in which the business entity is engaged;
3. The address or other precise location of the real property;
4. A statement whether the fair market value of the investment or interest in real property exceeds one thousand dollars (\$1,000), exceeds ten thousand dollars (\$10,000), or exceeds one hundred thousand dollars (\$100,000).

(B) Personal Income Disclosure. When personal income is required to be reported,<sup>5</sup> the statement shall contain:

1. The name and address of each source of income aggregating two hundred fifty dollars (\$250) or more in value or fifty dollars (\$50) or more in value if the income was a gift, and

---

<sup>4</sup> Investments and interests in real property which have a fair market value of less than \$1,000 are not investments and interests in real property within the meaning of the Political Reform Act. However, investments or interests in real property of an individual include those held by the individual's spouse and dependent children as well as a pro rata share of any investment or interest in real property of any business entity or trust in which the individual, spouse and dependent children own, in the aggregate, a direct, indirect or beneficial interest of 10 percent or greater.

<sup>5</sup> A designated employee's income includes his or her community property interest in the income of his or her spouse but does not include salary or reimbursement for expenses received from a state, local or federal government agency.

a general description of the business activity, if any, of each source;

2. A statement whether the aggregate value of income from each source, or in the case of a loan, the highest amount owed to each source, was one thousand dollars (\$1,000) or less, greater than one thousand dollars (\$1,000), or greater than ten thousand dollars (\$10,000);

3. A description of the consideration, if any, for which the income was received;

4. In the case of a gift, the name, address and business activity of the donor and any intermediary through which the gift was made; a description of the gift; the amount or value of the gift; and the date on which the gift was received;

5. In the case of a loan, the annual interest rate and the security, if any, given for the loan.

(C) Business Entity Income Disclosure. When income of a business entity, including income of a sole proprietorship, is required to be reported,<sup>6</sup> the statement shall contain:

1. The name, address, and a general description of the business activity of the business entity;

2. The name of every person from whom the business entity received payments if the filer's pro rata share of gross

---

<sup>6</sup> Income of a business entity is reportable if the direct, indirect or beneficial interest of the filer and the filer's spouse in the business entity aggregates a 10 percent or greater interest. In addition, the disclosure of persons who are clients or customers of a business entity is required only if the clients or customers are within one of the disclosure categories of the filer.

receipts from such person was equal to or greater than ten thousand dollars (\$10,000).

(D) Business Position Disclosure. When business positions are required to be reported, a designated employee shall list the name and address of each business entity in which he or she is a director, officer, partner, trustee, employee, or in which he or she holds any position of management, a description of the business activity in which the business entity is engaged, and the designated employee's position with the business entity.

(E) Acquisition or Disposal During Reporting Period. In the case of an annual or leaving office statement, if an investment or an interest in real property was partially or wholly acquired or disposed of during the period covered by the statement, the statement shall contain the date of acquisition or disposal.

(8) Section 8. Prohibition on Receipt of Honoraria.

(A) No member of a state board or commission, and no designated employee of a state agency, shall accept any honorarium from any source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

Subdivisions (b), (c), (d), and (e) of Government Code Section 89502 shall apply to the prohibitions in this section.

(B) No member of the governing board of a special district or designated employee of a local government agency shall accept any honorarium.

Subdivisions (b), (c), and (e) of Government Code Section 89502 shall apply to the prohibitions in this section. This section shall not limit or prohibit payments, advances, or reimbursements for travel and related lodging and subsistence authorized by Government Code Section 89506.

(8.1) Section 8.1 Prohibition on Receipt of Gifts of \$280 or More.

(A) No member of a state board or commission, and no designated employee of a state agency, shall accept gifts with a total value of more than two hundred eighty dollars (\$280) in a calendar year from any single source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

Subdivisions (b), (c), (d), and (e) of Government Code Section 89504 shall apply to the prohibitions in this section.

(B) No member of the governing board of a special district, or designated employee of a local government agency shall accept any gifts with a total value of more than two hundred

eighty dollars (\$280) in a calendar year from any single source.

Subdivision (d) of Government Code Section 89504 shall apply to this section.

(9) Section 9. Disqualification. No designated employee shall make, participate in making, or in any way attempt to use his or her official position to influence the making of any governmental decision which he or she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

(A) Any business entity in which the designated employee has a direct or indirect investment worth one thousand dollars (\$1,000) or more;

(B) Any real property in which the designated employee has a direct or indirect interest worth one thousand dollars (\$1,000) or more;

(C) Any source of income, other than gifts and other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating two hundred fifty dollars (\$250) or more in value provided to, received by or promised to the designated employee within 12 months prior to the time when the decision is made;

(D) Any business entity in which the designated employee is a director, officer, partner, trustee, employee, or holds any position of management; or

(E) Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating two hundred and eighty dollars (\$280) or more in value provided to; received by, or promised to the designated employee within 12 months prior to the time when the decision is made.

(9.3) Section 9.3. Legally Required Participation. No designated employee shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. The fact that the vote of a designated employee who is on a voting body is needed to break a tie does not make his or her participation legally required for purposes of this section.

(9.5) Section 9.5. Disqualification of State Officers and Employees. In addition to the general disqualification provisions of Section 9, no state administrative official shall make, participate in making, or use his or her official position to influence any governmental decision directly relating to any contract where the state administrative official knows or has reason to know that any party to the contract is a person with whom the state administrative official, or any member of his or her immediate family has, within 12 months prior to the time when the official action is to be taken:

(A) Engaged in a business transaction or transactions on terms not available to members of the public, regarding any investment or interest in real property; or

(B) Engaged in a business transaction or transactions on terms not available to members of the public regarding the

rendering of goods or services totaling in value one thousand dollars (\$1,000) or more.

(10) Section 10. Manner of Disqualification. When a designated employee determines that he or she should not make a governmental decision because he or she has a disqualifying interest in it, the determination not to act must be accompanied by disclosure of the disqualifying interest. In the case of a voting body, this determination and disclosure shall be made part of the agency's official record; in the case of a designated employee who is the head of an agency, this determination and disclosure shall be made in writing to his or her appointing authority; and in the case of other designated employees, this determination and disclosure shall be made in writing to the designated employee's supervisor.

(11) Section 11. Assistance of the Commission and Counsel. Any designated employee who is unsure of his or her duties under this code may request assistance from the Fair Political Practices Commission pursuant to Government Code Section 83114 or from the attorney for his or her agency, provided that nothing in this section requires the attorney for the agency to issue any formal or informal opinion.

(12) Section 12. Violations. This code has the force and effect of law. Designated employees violating any provision of this code are subject to the administrative, criminal and civil sanctions provided in the Political Reform Act, Government Code

Sections 81000 - 91014. In addition, a decision in relation to which a violation of the disqualification provisions of this code or of Government Code Section 87100 or 87450 has occurred may be set aside as void pursuant to Government Code Section 91003.

## Board Communication

AGENDA ITEM  
VI.F

**DATE:** June 26, 2018

**SUBJECT:** District Website- Continued Discussion

**PREPARED BY:** Jeran Ulrich, Board Clerk

**RECOMMENDED ACTION:**

That the Springlake Fire Protection District Governing Board preview the Streamline demo website created for the District and authorize the Board Clerk to create a District website by purchasing a website domain and subscribing to Streamline's content management service.

**BACKGROUND INFORMATION:**

At the April 2017 meeting, the Board reviewed options for a preferred method of contact between the public and the Board Commissioners. At that time, Yolo LAFCO encouraged the District to create a website. This would allow the District to host email addresses for the Commissioners as well as align the District with Yolo LAFCO's new Government Web Transparency initiative.

In February 2018, the Board Clerk attended a LAFCO sponsored product demo by Streamline, a content management service specifically designed for Special Districts to ensure compliance with state and federal regulations and transparency requirements. In addition to meeting the current state and federal regulations, creating a website will put the District in compliance with SB929, a bill that would require all Special Districts to maintain a website, should it be passed.

At the direction of the Board Chair, the Board Clerk initiated a free, no obligation trial offer with Streamline who built a demo website for the District.

Costs associated with maintaining the website would include the following:

- Purchase of Domain- approximately \$185 for 10 years
- Streamline Website Hosting- \$1200 annually (price based on annual revenue)

This is a continued discussion from the April 26, 2018.

Respectfully yours,

Rebecca Ramirez  
Fire Chief

## Board Communication

AGENDA ITEM  
VII.A

**DATE:** June 26, 2018

**SUBJECT:** Monthly Trial Balance Reports: March through May 2018

**PREPARED BY:** Jeran Ulrich, Board Clerk

**RECOMMENDED ACTION:**

Informational only. No action required.

**BACKGROUND INFORMATION:**

Attached are the monthly ledger reports for the months of March, April, and May 2018 as provided by the Yolo County Office of the Auditor-Controller for District review.

The \$31,654.89 corrective journal entry recommended by the auditor and approved by the Board at the April 26, 2018 meeting to clean up FY17 end of fiscal year closing totals is reflected on the May 2018 report.

Respectfully yours,
