Argument in Favor of Measure U

Vote Yes on U for a safer, stronger Woodland — now and in the future.

We are proud to call Woodland home. We're fortunate to live and work in a community with a unique blend of small-town charm, a thriving entrepreneurial spirit, and safe, family-friendly neighborhoods.

However, we also know that there is work to be done to preserve this quality of life. Homelessness is on the rise and as our population continues to grow, our firefighter, police and first responder staffing has not kept pace. Simply put, our public safety services are understaffed and struggling to meet public safety demands.

That's where Measure U comes in. It provides necessary funding to add extra first responders throughout Woodland, reduce emergency response times, address homelessness and fix our roads and sidewalks before they fall into further disrepair, saving tens of millions in deferred maintenance costs.

Vote Yes on U — Protect Essential City Services that Make Woodland Special

- Keep public spaces safe and clean
- Address homelessness
- Repair potholes, roads and sidewalks
- Improve and maintain parks
- Reduce emergency response times
- Increase police and fire protection

Fiscal Accountability and Local Control Make Measure U a Wise Investment

- **Transparency Ensures the Proper Use of Funds** — Independent audits and public spending disclosures are required.
- **Does Not Impact Essential Purchases** — Exemptions for essential purchases like groceries and medicine protect those on fixed incomes.
- **The State Cannot Touch Measure U, Every Penny Stays Local** — Local control ensures Measure U directly benefits Woodland residents.
- **Cannot Be Renewed Without Voter Approval** — Measure U includes an 8-year sunset.

Passing this measure is about investing in the future of Woodland where every resident has access to essential services, safe neighborhoods, and quality infrastructure.

Join Woodland residents and businesses in voting Yes on U: a safer Woodland today, for a stronger Woodland tomorrow.

Rebuttal to the Argument Against Measure U

Our opponents are using misleading statements and outright lies to try to prevent police officers and firefighters from getting the resources and lifesaving equipment they need. Why don't they care about public safety and quality of life in our community?

Here's the reality.

Measure U will not increase the cost of groceries and medicine.

Essential purchases are exempt from Measure U.

Measure U will make Woodland safer and maintain emergency response times.

It addresses a critical shortfall in public safety resources to improve response times and manage growing rates of crime, theft, and homelessness.

Local control and fiscal accountability ensure 100% of Measure U stays in Woodland.

By law, these revenues cannot be taken by the State, ensuring 100% of our tax dollars stay local for the benefit of Woodland residents. Independent annual audits and public disclosures are required of all expenditures to ensure funds are used properly.

Measure U will actually save money in the long term.

The longer roads, sidewalks, and parks go without repair, the more expensive they are to fix. By making needed repairs now, Measure U saves tens of millions of dollars in deferred maintenance costs.

Measure U just makes sense.

Everyone who visits and shops in Woodland — not just local residents — will chip in for better parks, increased police and fire protection and solutions to homelessness. That's why small business owners, longtime residents, police officers, firefighters and more are voting Yes on U.

Let's protect the essential city services that keep Woodland safe, clean, and thriving — vote Yes on U.
