

# HOW TO FOLD A COMPOSTABLE LINER FOR YOUR FOOD SCRAP BIN

1

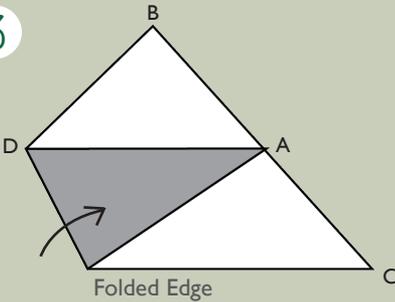

Take several sheets of newspaper. Fold the bottom left corner up to make a triangle.

2

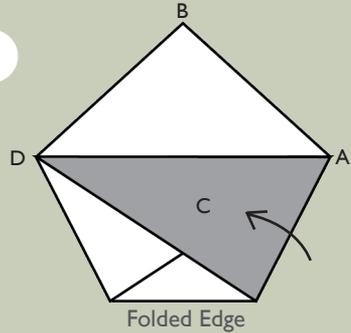

Cut off excess between B & C or fold it back.

3

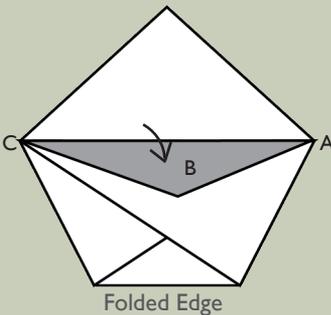

Take corner A and fold in between B & C.

4

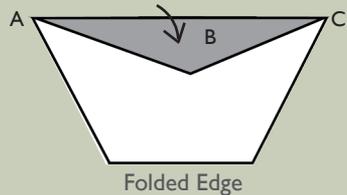

Take corner C and fold to D.

5

Fold down corner B down.

6

Flip over and repeat last step.
