- Grass clippings
- Palm Material
- Leaves
- Flowers
- Weeds
- Wood chips
- Untreated wood
- Garden trimmings
- Tree limbs

**NO**

- Dirt and soil
- Rocks and gravel

## Rules:

- You do not need to use bags for your food waste, but if you do, they must be compostable. Paper bags, newspaper, and cereal boxes can also be used.
- Items in non-compostable bags can be mistaken for trash and will be considered contamination.
- Lids on carts/bins must close completely.

## Still have questions?

Search the Waste Wizard to find out how to responsibly dispose of anything!

[EnviroWoodland.org/WasteWizard](http://EnviroWoodland.org/WasteWizard)

When in doubt, throw it out. Contamination can ruin a whole load of organics.
