

Greater Sacramento Economic Council

StemExpress is a biotechnology company headquartered in Folsom California with additional collection center locations throughout the United States. Our high complexity CLIA-Certified laboratories in Folsom have established COVID-19 PCR and Serology based antibody testing. StemExpress has been actively testing essential workers in public and private entities for COVID-19.

StemExpress has the capacity to run more than 10,000 tests per day ensuring critical facilities can receive results quickly. Our high complexity CLIA-certified laboratory runs tests utilizing RT-PCR for molecular diagnosis of infection as well as ELISA based testing which measures for previous infection and immune response. The assays are the most sensitive and specific in the marketplace ensuring robust results. All tests utilized are authorized for use by the FDA under Emergency Use Authorization.

Type of Test:

- Molecular RT-PCR testing for Sars-CoV-2 viral infection
- Serology testing for Sars-CoV-2 antibodies

Testing Capabilities:

*StemExpress currently provides Serology testing in addition to PCR testing only

Base Pricing	StemExpress runs the tests and provides results only	StemExpress provides the testing kits and runs the test and provides the results. StemExpress does not provide collection personnel	StemExpress provides collection personnel, kits, testing and results at a StemExpress collection center.	On-Site Collection Model
Molecular	\$99	\$110	\$149	Test + Labor/Logistics/Travel
Serology	\$99	\$110	\$119	Test + Labor/Logistics/Travel
Molecular & Serology	\$198	\$209 (PCR kit only) / \$219 (Both Kits)	\$249	Test + Labor/Logistics/Travel

California Coverage Areas:

StemExpress has collection centers in San Diego and Folsom and soon to be Daly City. Our collections centers in Folsom and San Diego, can accommodate pre-scheduled tests throughout the week from 8-4pm. On Site collections can be scheduled at a first come first serve basis and our coverage area includes all of California.

Turn Around Time:

Test results will be provided within 72 hours of collection. For locations closer to Folsom California, results may be provided sooner due to proximity.
