Monday-Friday, 8:00 am-4:00 pm

Cash, credit card, contactless pay, or check (payable to “City of Woodland”) (\$25 charge for returned checks)

Refund Policy

Refunds must be requested at least two weeks before the program start date. All refunds or transfers will be subject to a \$30 administrative fee (per participant, per activity). Refunds will not be approved after the program has ended. If the refund request is for less than \$40, the administrative fee will be 25% of the total amount paid. Refund requests must be made at cityofwoodland.gov/CSDrefunds.

Residents

Rates are set for Woodland residents living within the city limits.

Non-Residents*

Rates for those living outside the city limits, PO boxes, or those who can’t provide proof of residency are subject to an additional charge of 20% or more. An asterisk (*) next to a fee indicates the program has additional non-resident fees beyond the listed price.

MEASURE R

Measure R was passed in 2022 and helps fund many of the Community Services’ programs including several events. It also provides camperships for qualified families and support for local youth sports by waiving per-player fees. Thank you, Woodland, for supporting your recreation programming.

COMMUNITY SERVICES NOW HIRING FOR SUMMER POSITIONS

The Community Services Department is now hiring part-time workers to help support the recreation programs offered by the City of Woodland. Become a youth activity leader, lifeguard, scorekeeper, or park and facility maintenance worker.

Visit cityofwoodland.gov/CSD for a listing of open positions and to apply online.

YOUTH CAMPERSHIPS

FOR SUMMER PROGRAMS

Camperships are available for qualified families of youth participants of Swim Lessons, Summertime Fun Club, Summer Teen Pack, Youth Basketball League, Woodland Wreckers, and Lifeguard Training who meet a low-income requirement. “Camperships” are scholarships that result in a fee reduction for the program (programs are not offered for free) and are available on a first-come, first-served basis. Measure R provides funding for camperships. Qualified applicants may receive camperships for more than one program. Families must meet the following criteria to be eligible for a campership must be a resident of Woodland (must live within city limits; PO Boxes and County Road addresses are not accepted) and must meet a low-income requirement based on the PG&E Care program (50%-80% of area median income).

For more information or to apply online, visit cityofwoodland.gov/camperships.

CHOOSING YOUR CHILD'S SWIM LESSON LEVEL

- Review the skills associated with their current level.
- Can your child perform each skill listed? If your child can perform the listed skills, it is time to consider moving on to the next level, as the skills listed are critical to advancing their swim abilities.
- Each level builds on the previous one, so it is essential to master the necessary skills before progressing further.

TADPOLE

AGES: 6 MONTHS-3 YEARS

The Tadpole level is specifically designed to provide parents and children with essential swimming skills while emphasizing water orientation, safety, and fun. Infants are required to be able to hold their head up and must be accompanied by an adult in the water for every class.

Swim Attire: Waterproof swim diapers with tight fitting elastic legs and a swimsuit.

Skills Practiced: Blowing bubbles, floating on front and back with help, and jumping into the pool from the side to adult.

GOLDFISH

Skills Practiced: Blowing bubbles, bobbing, floating on front and back with help, kicking on front and back with assistance, performing monkey arms, and rolling over.

SEAHORSE

AGES 3-6

Seahorse level introduces front and back glides along with the basic arm action of the front crawl. Participants should be comfortable in the water and should also be experienced in getting their face wet, blowing bubbles, and floating.

Skills Practiced: Bobbing to chin depth, submerging face, floating on front and back unassisted, gliding and kicking on front and back with help, rolling onto the front and back, jumping into shallow water, and performing backward monkey arms.

STINGRAY

AGES 5-8

Stingray level practices the combined arm and leg swimming action of both front and back crawl strokes. This level also emphasizes proper breathing techniques, maintaining body alignment in the water without assistance, and swimming longer distances in deep water.

Skills Practiced: Bobbing fully submerged, flutter kicking on front and back without help, performing combined arm and leg action for front and back crawl, rotary breathing, and jumping into 5 feet of water.

SWORDFISH

AGES 5-10

Swordfish level focuses on the development of the freestyle and back strokes, introduces the kicks for elementary back stroke, breaststroke, butterfly, and treading water.

Skills Practiced: Swimming front crawl 10 yards (with breath), swimming back crawl 10 yards, demonstrating elementary backstroke kick, breaststroke kick, dolphin kick, scissor kick, eggbeater kick, performing a kneeling dive, and jumping into 6 feet of water.

DOLPHIN

AGES 7-14

Dolphin level focuses on stroke improvement and introduces combined arms and leg action for breaststroke, sidestroke, and butterfly.

Skills Practiced: Swimming front crawl 25 yards (with rotary breathing), swimming back crawl 25 yards, swimming elementary backstroke 10 yards, demonstrating combined arm and leg action of sidestroke, breaststroke, and butterfly, treading water for 1 minute, and performing a standing dive.

ORCA

AGES 7-14

Orca level focuses on swimmer endurance and the refinement of the strokes learned during the Dolphin level.

Skills Practiced: Swimming front & back crawl 50 yards, swimming sidestroke, breaststroke, and butterfly 10 yards, performing turns at the wall, performing a feet first surface dive, treading water for 3 minutes, and performing a front dive from a block or diving board.

PLAY-WELL TEKNOLOGIES

Location: Community & Senior Center, 2001 East St.

Dream It. Build It. Wreck It. Repeat. Kids are already naturally gifted creators and structures, and they will have added inspiration from specially trained instructors. While children build elaborate objects, structures, and vehicles with the massive collection of LEGO®, they will explore fundamental principles of engineering and physics.

DINO DESIGN

AGES: 5-7

Travel back to the Jurassic era in this hands-on STEM adventure powered by LEGO®! Guided by our enthusiastic Play-Well instructors, young builders will return to the age of dinosaurs, using LEGO® to bring the time of the dinosaurs to life. Design and engineer secure habitats for gentle herbivores, embark on daring expeditions to track down elusive species, and uncover the secrets of powerful predator dinosaurs. Get ready for a dino-sized adventure packed with building, problem-solving, and imagination!

DATES	DAYS	TIMES	FEES
June 22-25	Mon-Thurs	9:00 am-12:00 pm	\$168*

JURASSIC ENGINEERING

AGES: 7-12

Dive into the world of dinosaurs through the lens of engineering and science in this immersive LEGO®-powered STEM course! Guided by expert Play-Well instructors, students will apply critical thinking and problem-solving skills to design and build secure habitats for herbivorous dinosaurs and go on expeditions to discover elusive species. This course challenges students to collaborate, innovate, and deepen their understanding of biology, engineering, and prehistoric ecosystems, all while bringing the Jurassic world to life, brick by brick.

DATES	DAYS	TIMES	FEES
June 22-25	Mon-Thurs	1:00-4:00 pm	\$168*

MINECRAFT ENGINEERING

AGES: 5-7

Venture into the world of Minecraft in our unique LEGO® experience. Get ready to build a base, craft your tools, use the Minecart to harvest raw resources, and battle to stop the Ender Dragon from ending the world. Come explore the endless possibilities of LEGO® with a trained Play-Well instructor.

DATES	DAYS	TIMES	FEES

MINECRAFT MASTER ENGINEERING

AGES: 7-12

Bring your favorite Minecraft adventures to life with our enthusiastic Play-Well instructors. In a Minecraft world powered by LEGO® resources, we will build shelters to keep out Creepers, craft mystical items that only true masters can wield, and perfect our crossbow skills to stop the Wither from taking over! If you can imagine it, we can build it.

SPORTS LAB

AGES: 5-7

Get ready to bring your favorite sports to life, from the basketball court to the sandy beach, in an action packed LEGO® adventure! Spend the day with our fun and energetic Play-Well instructors as you team up to design awesome stadiums, build cool machines that mimic real sports moves, and create exciting games that you can play solo or with friends. Together, you'll use your creativity and teamwork skills to engineer, build, and compete, making every moment a blast!

DATES	DAYS	TIMES	FEES
Aug 3-7	Mon-Fri	9:00 am-12:00 pm	210*

PRO SPORTS LAB

AGES: 7-12

Step into the world of sports engineering with our LEGO®-powered challenge! Guided by our energetic Play-Well instructors, students will collaborate to design and build advanced stadiums, engineer machines that replicate real sports movements, and develop innovative games. Throughout the course, teams will compete in fun, hands-on engineering challenges that test their creativity, problem-solving, and design skills all while building teamwork and engineering confidence one brick at a time!

Mad Science

Location: Community & Senior Center, 2001 East St.

Mad Science camps give kids the opportunity to learn about science through interactive and hands-on science activities. Children become junior scientists and embark on a series of adventures. There will be supervision between sessions provided by Mad Science if attending both morning and afternoon.

Each class requires a \$20 materials fee to be paid to the instructor on 1st day of class.

EUREKA!

AGES: 6-12

From catapults to lightsabers, this camp is packed with wild invention! Campers take on real challenges using the genius tricks of legends like Da Vinci, Ben Franklin, and Rube Goldberg. Build forts, design underwater vehicles, and crank up your own mini-amplifier. It's hands-on problem-solving, non-stop tinkering, and 100% invention-fueled fun. Edison said it takes perspiration — we just call it awesome.

GROSSOLOGY

AGES: 6-12

Slime. Guts. Goo. And more! Campers dive hands-first into the wonderfully weird world of gross science — from sticky experiments to creepy critters and all things icky. It's messy, it's hands-on, and it's hilariously fun. Not for the squeamish!

RADICAL ROBOTS

AGES: 6-12

Campers dive into the world of robotics—no coding required! Using real circuits, gears, and hands-on tools, they'll explore how robots move, think, and work in the real world. The best part? Every camper builds and takes home their own working robot by the end of the week. It's STEM learning powered by creativity, curiosity, and a whole lot of fun.

FLIGHT ACADEMY

AGES: 6-12

It's a bird! It's a plane! It's a week of high-flying science — from the first flying machines to the edge of space. Campers explore aerodynamics by building airplanes, testing them in wind tunnels, and creating balloon copters. They'll uncover the science of flight, experiment with celestial navigation, and build a rocket to take home. From sky science to space discovery, this camp is pure lift-off!

SCIENCE ROCKSTARS

AGES: 6-12

Rock out with science! Mix potions, grow crystals, and unlock the secrets of inertia, gravity, and motion. Step into Newton's shoes, explore sports science, and dive into the magic of cameras and movie-making. Then, harness the power of simple machines—and launch your very own catapult.

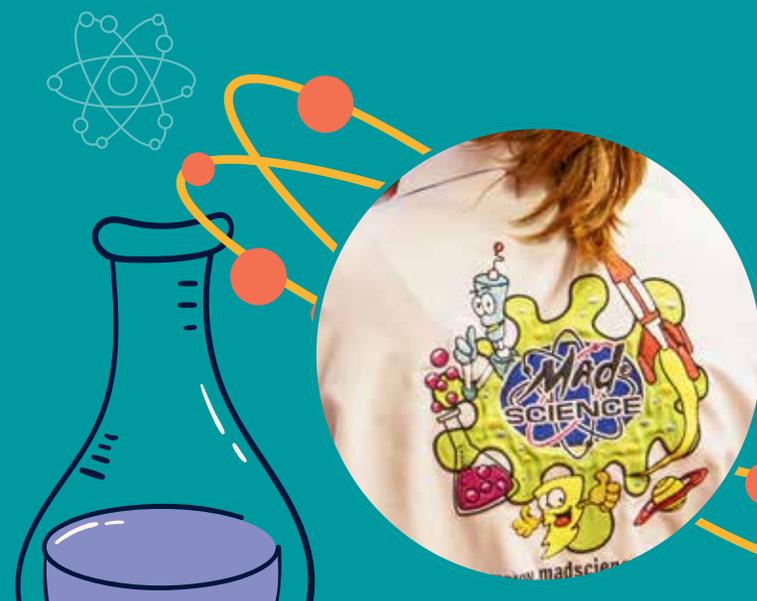

CRAZY CHEMWORKS

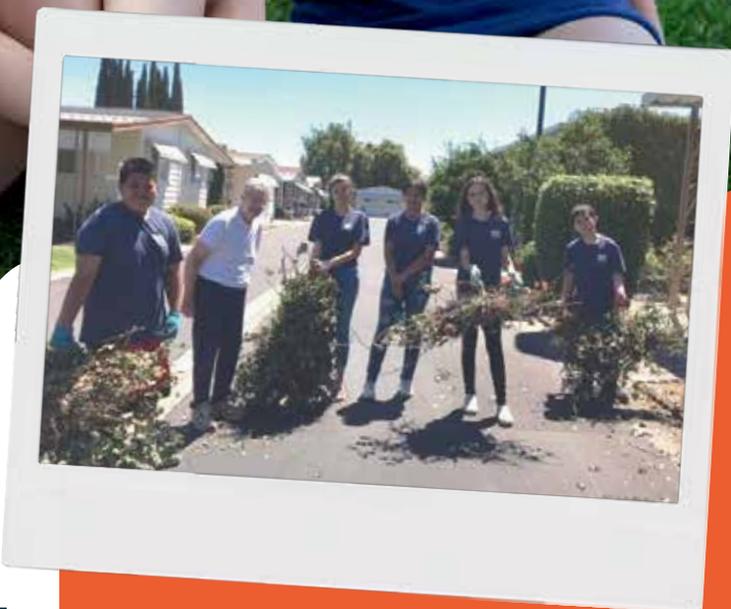

AGES: 6-12

Welcome to the wild world of chemistry — where things bubble, fizz, stick, and sometimes go boom! Campers dive into hands-on experiments with real reactions, wild concoctions, and mind-blowing discoveries. From battling evaporation and decoding counterfeit bills to exploring the secret power of glue, every day is packed with curiosity-fueled fun. They'll even trigger chemical "explosions" (safe ones, promise).

FACILITIES & PARKS

WOODLAND COMMUNITY & SENIOR CENTER

The Woodland Community & Senior Center provides a venue for business meetings or parties in its meeting rooms, banquet rooms, or the Kevin & Lorie Haarberg Gymnasium. Contact us to schedule a facility tour at (530) 661-2000.

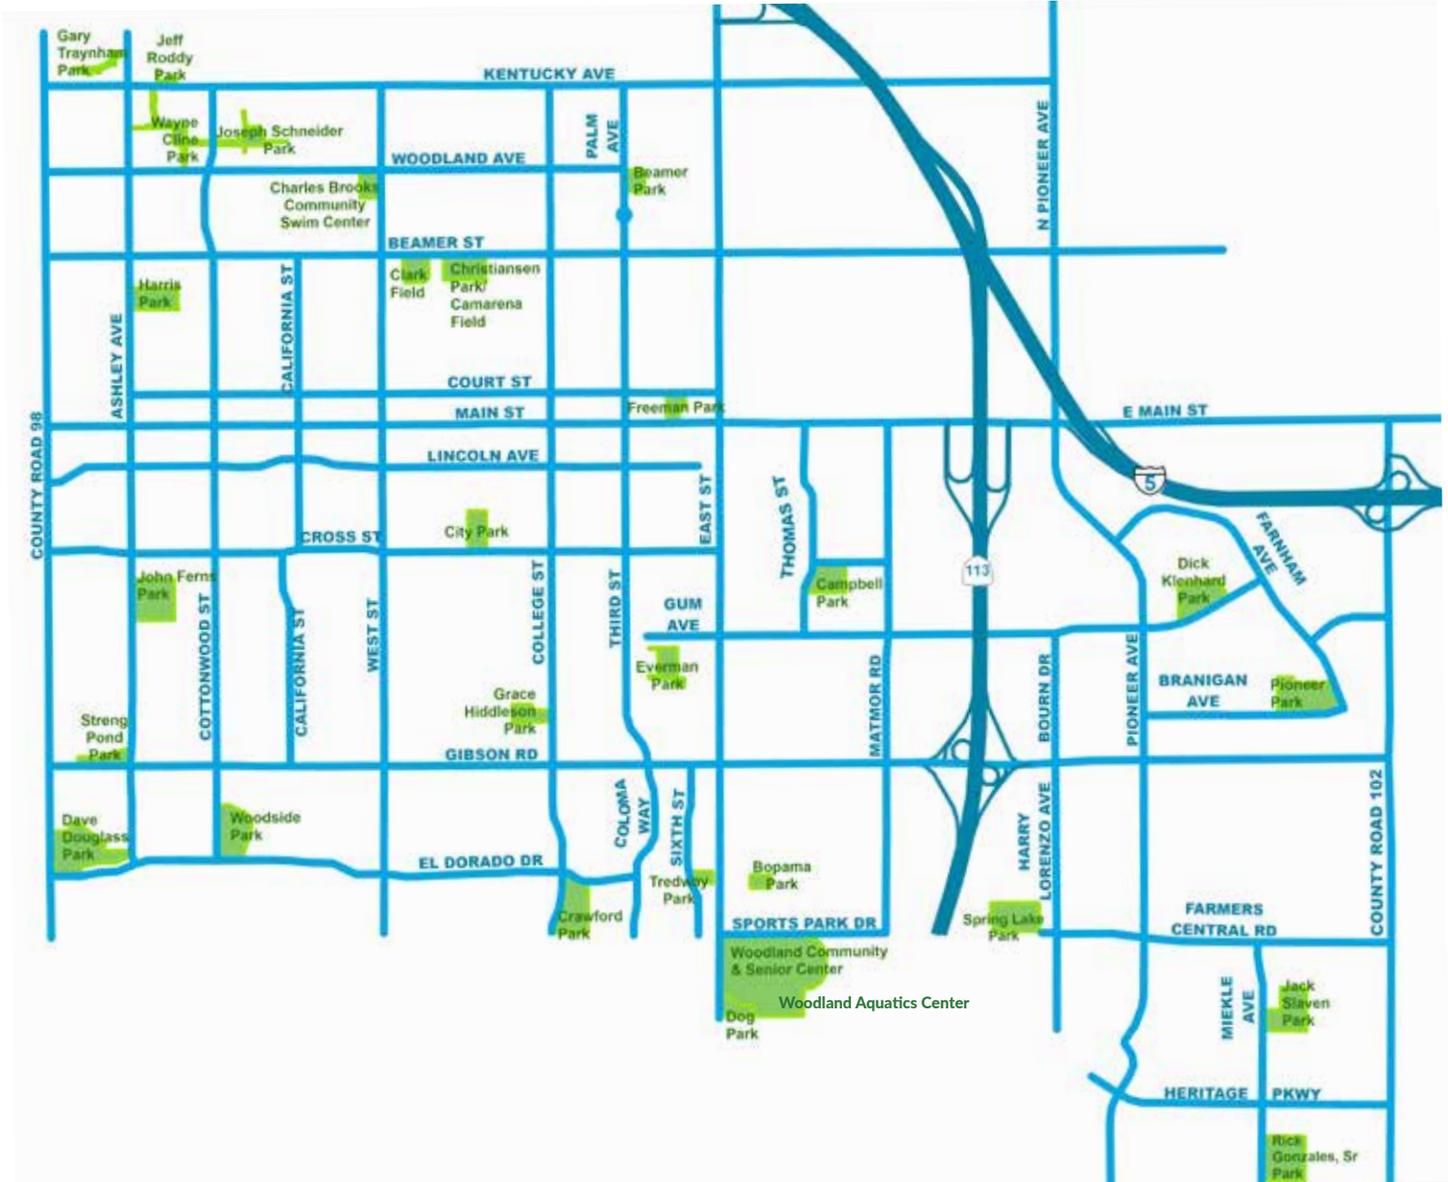

ATHLETIC FIELD RESERVATION PROCEDURES

All groups or teams that want to play league or tournament games on the fields or use the athletic fields should proceed with the reservation process. Requests must be made at least seven days in advance and may not be made further than twelve months in advance.

PARK PERMITS

Groups up to 75: \$40/hour for residents, \$80/hour for non-residents

Parks shade structures are available for exclusive use with a reservation. Reservations are available from 10:00 am-7:00 pm on a first-come, first-served basis. Park reservations are taken up to one year in advance. To find photos of specific parks and more information, please visit the website at cityofwoodland.gov/CSD. No reservations November 1-February 28. Fees are listed for local non-profit and private group use. Fees apply for any changes to permits.
